

# Bathroom Renovation Process

A simple step by step process designed to make your renovation clear, organised and stress free.

1

### FREE IN HOME CONSULTATION

We visit your home, assess your space and talk through your ideas, style and budget.

2

### DESIGN & PLANNING

We prepare a draft plan as a general guide to help shape the layout, materials and overall direction.

3

### FIXED PRICE QUOTE\*

You receive a fixed price quote that covers the management of your renovation, all trades and labour, and a final builders clean once the work is complete.

*\*Product selection prices are NOT included.*

4

### PRODUCT SELECTION

You select your tiles, tapware, vanities and fixtures, etc. with our local suppliers using our trade account and trade discount. Once quote is confirmed we place the order and this cost is passed on to you.

5

### CONSTRUCTION

Our team manages the build from start to finish with quality workmanship, organisation and clear communication.

6

### THE REVEAL

Your new bathroom is completed to a high standard and ready for you to enjoy.
